### Community Overview

- **Community Type:**
  - ☐ Municipality
  - ☐ Unorganized
  - ☐ First Nations

- **Community Location/Coordinates:**
Enter the location LAT/LONG

- **Head of Council Name/Phone:**
Enter contact information for senior elected official.

- **Primary Contact Name/Phone:**
Enter contact for local CEMC.

- **Alternate Contact Name/Phone:**
Enter contact information for alternate to the CEMC.

- **Community Phone, Fax, Address:**
Enter contact information here.

- **Community Email:**
Enter email of CEMC.

- **Community Website:**
Enter URL link here.

- **Community Language(s):**
Enter main languages spoken in the community

- **AFFES Profile:**
  - Applicable to First Nations only

- **INAC Profile:**
  - Applicable to First Nations only

- **Additional Comments/Details:**

### Population Overview

- **Total Population Registered (INAC):**
  - Applicable to First Nations only

- **Estimated Pop. Off-Reserve (INAC):**
  - Applicable to First Nations only

- **Total Population in Community:**

- **Number Requiring Medevac:**

- **Number of Stage 1 Persons (including any escorts):**

- **Number of Stage 2 Persons:**

- **Additional comments/details:**

### Evacuation Planning Considerations

- **How is the Community Accessed:**
  - ☐ Road Access
  - ☐ Rail Access
  - ☐ Fly-in only
  - ☐ Other

- **Is Self-Evacuation Possible:**
  - ☐ Yes
  - ☐ No

- **Preferred Evacuation Method/Route:**
Enter your primary route information here.

- **Alternate Evacuation Method/Route:**
Enter alternative route information here.

- **Airfield Length/Capacity/Condition:**
  - Details regarding airfield size, capacity, condition

- **Transport Limitations/Obstacles:**
  - Any issues that may hinder evacuation efforts.

- **Special Transport Requirements:**
  - Describe any special transportation needs or requirements.

---

1 Stage 1 evacuees are defined as vulnerable populations. This includes persons with disabilities, elders, children, and those with medical conditions. Among these, some require attendant care, which means that both the caregiver, and the Stage 1 evacuee they care for should be on the Stage 1 evacuation list.

2 Stage 2 evacuees are all remaining residents of the community.

#### PEOC Planning (Ontario)

**2012-07-27**

**Page 2 of 3**

**Draft Version 2.2**

<table>
<thead>
<tr>
<th>Has the community been evacuated recently? When? Why?</th>
<th>Provide details about previous evacuations here.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Other Evacuation Considerations:</td>
<td>Details any concerns or issues.</td>
</tr>
</tbody>
</table>

#### Command & Control

- Operations
- Planning
- Logistics

#### Host Planning Considerations

<table>
<thead>
<tr>
<th>Has a host community been identified, or does the evacuating community require assistance in identifying one?</th>
<th>☐ Yes ☐ No, assistance required.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Preferred Host Areas/Communities:</td>
<td>Identify names of host communities.</td>
</tr>
<tr>
<td>Areas/Communities Prefer not to Host:</td>
<td>Identify names of host communities.</td>
</tr>
<tr>
<td>What Support is Required from Host:</td>
<td>List and describe any resources or services required from the host community here.</td>
</tr>
<tr>
<td>Any Special Medical Needs:</td>
<td>Identify health care needs and resources required.</td>
</tr>
<tr>
<td>Any Other Special Need:</td>
<td></td>
</tr>
<tr>
<td>Any other hosting considerations:</td>
<td></td>
</tr>
</tbody>
</table>

#### Home Community Maintenance

<table>
<thead>
<tr>
<th>Have specific individuals been identified to stay in the community during the evacuation for essential services, security, or values protection?</th>
<th>Provide approximate number of people staying in the community.</th>
</tr>
</thead>
<tbody>
<tr>
<td>How many people will likely stay?</td>
<td></td>
</tr>
<tr>
<td>Are there any essential services, security or values protection issues of concern?</td>
<td></td>
</tr>
</tbody>
</table>

#### Return Planning Considerations

<table>
<thead>
<tr>
<th>Has an advance team been identified to prepare the community / infrastructure for return?</th>
<th>☐ Yes ☐ No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Any other return considerations:</td>
<td>Include planning considerations here.</td>
</tr>
</tbody>
</table>

- Command & Control

Planning

Logistics

Critical Infrastructure

<table>
<thead>
<tr>
<th>Are there any known infrastructure (roads, telecommunications assets, hydro) assets at risk of damage?</th>
<th>List critical infrastructure concerns.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Owners or operators of critical infrastructure in your community:</td>
<td>List names of owners/operators of critical infrastructure assets here. Include contact details where possible.</td>
</tr>
</tbody>
</table>

Considerations:
- Pets/animals? From evacuating community? Can host community handle incoming pets or animals? Can animals be transported? If animals have been left behind, how are they being taken care of and who is taking care of them?

Logistics:
- Food, water, accommodations, transportation, fuel, medical, safety, environment, evacuation coordinators

Command and Control
- Points of contact, name, position, phone, fax, email, facebook/webpage
- Radio Station
- ARES Call Sign
- Communications – how does the community/agency get the word out? How do they maintain situational awareness?
- Notifications – who conducts them? Who is notified, what agencies or organizations?
