

# 2018 AEMA Stakeholder Summit

## Speaker Proposal Form

AEMA is piloting a new approach to Summit planning resulting in a delay confirming Summit date and location. Our goal is to host the two-day Summit in Edmonton or surrounding area the last week of November or first week of December. The exact date and location will be confirmed as soon as an event planner is secured through the competitive bid process (target date of late Summer or early Fall).

New this year: in lieu of a 2018 AEMA Stakeholder Summit theme we have adopted a statement of purpose: ***The AEMA Summit will bring together Emergency Management Partners by providing a platform for strengthening existing relationships, building new relationships, and offering professional development and information sharing opportunities to build a more resilient Alberta.***

Important information to review before completing this application:

- ❖ All speakers are invited to submit proposals for the 2018 AEMA Stakeholder Summit. Speaker proposals that reflect the statement of purpose will have the best chance of being selected.
- ❖ Please submit your completed proposal form to the AEMA Stakeholder Relations team ([aema.stakeholders@gov.ab.ca](mailto:aema.stakeholders@gov.ab.ca)) no later than June 29, 2018\*. We will acknowledge receipt of your proposal within two business days.
- ❖ Review of speaker proposals and outreach to successful candidates will occur in July 2018\*. Successful candidates will receive formal follow-up confirmation via email. Note: speaker contracts will be required for all speakers outside of the Government of Alberta.
- ❖ For those interested in sponsorship opportunities: the 2018 Summit sponsor and exhibitor program will be handed over to the contracted event planner. If you are interested in sponsoring the 2018 Summit please email [aema.stakeholders@gov.ab.ca](mailto:aema.stakeholders@gov.ab.ca). A list of interested sponsors and exhibitors will be collected and passed on to the event planner in the Fall.
